What's Happening.....

JUMPING FOR SPRING CLASSES!!

April is now upon us and that bring with it our Spring Session. We are excited to offer a 10 week session that takes our participants up to the last week of school. Just in time for Summer Camps! We will be opening up registration soon and will be offering, AM & PM half days as well as Full Day Camps.

We are also working on partnerships with other organizations for our FULL day camps to give the participants a variety of opportunities of what is available in the community of St. Albert and surrounding areas.

With the spring weather brings restaurant patio time and why not enjoy an evening with your significant other while your children attend our KID'S NIGHT OUT. Dates str held monthly.

We noticed that parents need a place to send their children on PD days. We

heard you and are trialling some days this session and will be adding more to next years schedule.

Easter is just around the corner and ensure you note on your calendar the days we will be closed.

But we won't forget our EASTER EGG HUNT happening Saturday, April 7th from 3 to 5 pm.

Come out and enjoy the fun and activities planned. Why not try out our Parent and Tot Drop-in held every Friday of our Spring Session from noon to 1 pm.

And last but not least, our fundraisers are still in full steam mode. We have our Growing Smiles Spring Flower Promotion, our virtual Silent Auction and Pub Night.

For more details on our upcoming activities and events, please check out this newsletter as it is filled with important links and information to help you decide on your next adventure with us!
