CANCELLATION OF FIELD TRIP POLICY

Due to the high demand for Field Trips, effective immediately, a minimum of one (1) month's notice must be given for cancellation of any scheduled Field Trip. This gives the club sufficient time to rebook or cancel any coaches currently scheduled. A charge of \$50 will apply with failure to meet the deadline.

In the case of unexpected weather conditions that prevent the group from participating at their scheduled time, consideration will be given and charges will be waived.

When cancelling, the organization is required to call and leave a message and must email dynamyx@telusplanet.net to ensure we receive a written cancellation promptly for our files.
